Re: PSC Case No. 2003-00051

Dear Mr. Dorman:

East Kentucky Power Cooperative, Inc., requests that the informal conference in this case, scheduled for 9:30 a.m. on August 19, 2003, be rescheduled for 1:00 p.m. on that same date. This request is made due to a scheduling error involving several key EKPC employees who need to attend the informal conference, but also are scheduled as presenters at a member system meeting on the morning of August 19. We have contacted Richard Raff to coordinate this change and all parties in the case have indicated that they can attend the conference at that time.

We regret any inconvenience caused by this rescheduling and appreciate the efforts of the Commission staff and the parties in the case to rearrange the schedule.

Very truly yours,

Charles A. Lile  
Senior Corporate Counsel
